Sedrick James Camiguing - LinkedIn | Sedrick - Portfolio

PROFESSIONAL SUMMARY

Analytical and tech-driven IT graduate with hands-on experience in full-stack web development and systems optimization. Robust technical skills (MERN, Laravel, APIs). A proactive problem-solver and fast learner seeking an entry-level junior developer role to build, maintain, and improve web applications.

KEY SKILLS

Laravel | MERN Stack | JavaScript | API Integration (REST API) | MySQL / MongoDB | Git and Github | Responsive Web Design | UI/UX Design

EDUCATION

Bachelor of Science in Information Technology

Bukidnon State University | Malaybalay City, Philippines | 2026
Academic Honors: Cum Laude, Dean's Lister (8 semesters)

RELEVANT EXPERIENCE

Full-Stack Web Developer -

University Dental Clinic Management System | 2024 | MERN

- Developed the backend for a clinic management system handling appointments, inventory, and role-based access (Dentist, Admin, Client), integrating Google OAuth, Google Drive, Gmail, Calendar, and reCAPTCHA APIs
- Implemented concurrency control to prevent conflicting edits when multiple staff access the same record simultaneously, along with soft/hard delete options and downloadable report generation in the university's required format

Full-Stack Web Developer

Provincial Assessor's Office | Feb-May 2026 | Laravel + TypeScript, MySQL, Docker

- Replaced manual physical record searches with an instant search function, reducing retrieval time from an estimated 10–15 minutes to under a minute per request
- Containerized the application with Docker to meet client production requirements, transitioning from local development (Laragon) for deployment on PASSO-DICT's server

CERTIFICATIONS

- Principles of Design - Department of Information and Communications Technology - 2024
- Introduction to Cyber Security - Cisco - 2024
